Dear Sir:

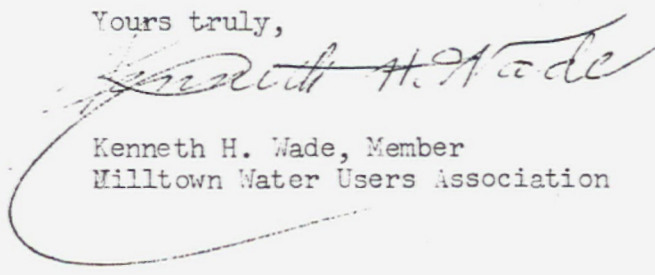

Re: MILLTOWN, MONTANA Water Supply and Distribution System.

I want to urge the inclusion of the fire protection in the above named system by connecting on to the Champion fire protection system. The purpose is to protect the safety of the houses in that area as well as protecting the investment EPA is making.

I trust that you will give this your serious consideration.

Thank you very much.

Yours truly,

Kenneth H. Wade, Member
Milltown Water Users Association
